COVID – 19 Protocols

We are implementing a full sanitation program with PPE as follows:

- All guests will be temperature tested at the gate on each entry into the resort.
- No welcome drinks or snacks will be supplied.
- All guests will be hand sanitized (foot pedal type) and instructed to wear a mask upon entering the reception. One person at a time allowed into in the reception area.
- Perspex screen in reception.
- Keys to be sanitized and bagged.
- Pens to be sanitized.
- All cleaning staff to wear gloves, masks and face shield.
- All staff to be temperature tested twice daily
- All staff to be issued with sanitizers
- On Arrival all guest will be issued with one sanitizer to be returned on departure - NOT to be removed.
- All chalets to be fogged with sanitizer and securely locked after departure in preparation for next guests.
- All chalet surfaces, light switches and door handles to be wiped with approved disinfectant.
- All linen washed at 90°C with SANBS approved Detergents.
- Dishes will be attended to by a cleaner twice daily, the braai and fireplace will be cleaned daily by the cleaning lady, Beds will be made and bathrooms to be cleaned. As an extra precaution, guests will be requested to vacate the chalet whilst it is attended to by the Cleaner, if the chalet is occupied the cleaner has been instructed not to enter the unit. (Except for Sundays, no cleaning will take place)
- As many movable items as possible will be removed from the chalet. e.g. - Books, magazines, information packs etc.
- Games equipment will be available for rental, equipment will be sanitized between each use.
- Playground will be open for use at own risk.
- Our weekly bring and share braai gathering will be postponed until further notice.
- Swimming will be permitted at own risk.

The above is in place at the resort.
